# Current DRF mechanisms at National

Climate Change & Disaster risk Survival Fund/Tuvalu Survival Fund

Budget realignment

Cat DDO (WB)

CDF Contingent Fund (ADB)

Bilateral aids (DFAT&MFAT)

# About Tuvalu Survival Fund

- A statutory trust established in 2015.
- Operates under the dual objectives of immediate disaster response and long term resilience building.
- The Fund may be augmented by grants through Bilateral Contributions and donations from Foreign Governments, communities and other individual donations.
- Access to the Fund through submission of a “Request for Assistance” RfA Form.

# Eligibility to use fund

**Support  
Government  
response triggered  
by a Declared  
'State of  
Emergency'**

**Providing financial  
assistance for  
immediate  
emergency relief.**

**Assist the people  
to recover and  
rehabilitate.  
Adaptation and  
Resilience  
assurance  
programs.**

# Scope of application

**Initial  
Damage  
Assessment**

**Tuvalu Survival  
Fund payout  
policy**

**Tuvalu Survival Fund  
(TSF)**

# TSF Funding Allocation

Purpose	Proportional Allocation
Recovery	30%
Rehabilitation	50%
Adaptation	20%

# Challenges

- **Lack of human capacity and institutional arrangements to support DRF**
- **Limited understanding of DRF instruments and products.**
- **The need for a strategic approach to DRF at the national level.**
- **Competing Priorities within government.**

# Priorities

- **High level advocacy and engagement**
- **Establish an enabling environment for DRF**
- **Formulation of a National DRF Strategic Roadmap**
